NGĀ RANGATAHI TOA

The exhibition Haumarū by Ngā Rangatahi Toa, is about exploring the idea of creating safe space. This can take various forms for our rangatahi (young people), both within our organisation and in our wider communities.

Our interpretation of a Haumarū draws from the four dimensions of Te Whare Tapa Whā: physical, mental, spiritual, and environmental.

Through this visual representation, we encourage you to explore what Haumarū means to you and your whānau.
